→ BAG-IN BOX CUPIDO

Cupido Red Vermouth is the youngest expression from our house, a newcomer and the freshest of our vermouth range. With a highly fruity character derived from young wines of the year and a carefully selected blend of highly aromatic botanicals, it is designed to captivate all who taste it. For this reason, we associate it with Eros, the God of Love, often depicted as a beautiful young man and sometimes as a mischievous, playful child.
